# Synchronous Leadership Coaching (SLC)

Audience

Multiple executives/leaders

### Objective

High impact development for multiple leaders <u>simultaneously yet</u> <u>individually</u>. Leverage this model to scale people and skills more effectively and efficiently. Amplify impact by engaging 6-20 leaders in one-on-one coaching, and optional group learning, concurrently.

<sup>&</sup>quot;I have taken a lot of professional growth and management classes, but in a classroom environment it's tough to find solutions and get help to specific problems that are unique to me. The 1:1 coaching helped me grow exponentially as a leader in the past few months, and I wouldn't be where I am professionally so quickly without my coach's help and care. The Mariposa program was amazing, and I am so incredibly grateful for the opportunity to participate!"
